maps and map shops

[Kon Tiki](#) has an excellent painted world map as well as a beautiful Pacific Ocean map and others focused on cities.

Florian Winkler's [night sky maps](#) are amazing.

[Useful Charts](#) has a lot of cool wall charts on a variety of topics.

[Muir Way](#) has a lot of great maps of a zillion kinds. Some ideas:

- shaded relief maps
- 3D maps
- hydrology maps

[World Maps Online](#) says their top sellers are world maps, but those seem best for classrooms. However, their historical maps are really cool and vintage looking.
